Programs Offered

Playgroup - Grade VII

Our USP's

Integrated and Thematic Curriculum

Activity-Based Learning

Integration of Multiple Intelligences in Curriculum

Holistic Development

Technologically Advanced

Balanced Teacher-student ratio

Strong School-Parent Partnership

Futuristic Education

Experiential Learning / Nurturing sensitivity towards self, others and the environment

Edu-action/Education in Action

At KIDZONIA CREDENCE, we put a premium on developing the thinking faculty of our students. They must learn to solve problems effectively and with balanced minds. Their choices must contribute to the betterment of all and everything around them.

UNDERSTANDING
Explaining ideas or concepts:
Interpreting, summarizing, paraphrasing, classifying

ANALYSING
Deconstructing, interrogating, finding, understanding relationships, comparing & re-organizing

REMEMBERING
Recalling information, recognizing, listing, describing, retrieving

EVALUATING
Justifying decision or course of action. Checking, hypothesis, critiquing, experimenting, judging

APPLYING
Using information in another familiar situation, implementing, executing

CREATING
Generating new ideas, products or ways of viewing things. Designing, constructing, planning, producing, inventing

Our Curriculum

Our curriculum is based on engaged learning, enabling the mind to observe, analyze and learn. The new age revolution is also an appealing part of our strategies. Usage of the digital tools by fun-filled activities makes the mind more active and helps learn the simplest to toughest equations with ease. We create a space where the minds get free imagination.

'WE ARE PASSION BUILDERS'.
